

What is Service Area Advisory Committee (SAAC)?

SAAC functions as a local forum of consumers, families, service providers and community representatives to provide the Los Angeles County Department of Mental Health (DMH) with information, advice and recommendations regarding

- The functioning of local service systems
- The mental health service needs of their geographic area
- The most effective/efficient use of available resources
- The maintenance of two way communication between DMH and various groups and geographic communities.

Mental Health Services

Mental health services provided include screenings and assessments, case management, crisis intervention, medication support, peer support and other recovery services. Services are provided in multiple settings, including residential facilities, clinics, schools, hospitals, county jails, juvenile halls and camps, and field visits.

The Mental Health Services Act (MHSA) has allowed for expansions of Full Service Partnership programs, Wellness Centers and Alternative Crisis Services as well as Field Capable Clinical Services for all age groups.

Who can join SAAC?

Consumers, family members of consumers, community organizations, mental health service providers, interested community members and representatives of local governments.

SAAC advises DMH on mental health issues. It is their responsibility to:

- Provide feedback to DMH on the quality of its program and services
- Participate in DMH planning efforts
- Educate its community on mental health issues
- Determine a community's mental health needs
